

The Lakewood Superfan 7

1) Show Up

There is no bigger game time boost, than a crowd of supportive fans.

2) Cheer for our Team

Encourage athletes by celebrating their successes and asking them to dig deep in big moments.

3) Honor the Game

The sport is bigger than each of us. Treat the moment with respect and dignity.

4) Appreciate our Opponents

The word compete means “to struggle with.” Without our opponent, there is no competition. Cheer for our team, never against our opponent or an individual player.

5) Support the Cause

Education-based athletics are an extension of the classroom. Interscholastic athletics are here to develop our core values. Be patient while learning takes place.

6) Give the Officials some Love

They do a thankless job and without them there is no competition. The pool of people willing to officiate continues to shrink. Fan behavior is the number one reason given by officials who leave officiating.

7) Make Us Proud

Athletics is often the first impression people have of a school. Represent LHS well and show every other community what school spirit done right looks like.
